STEPPING WITH STYLE

Vancleave Attendance Center puts its best foot forward as we step into 1987 with Style! Our yearbook staff has chosen "Stepping with Style" as its theme, with the pawprint symbolizing the impressions that students leave as they step from youth to adulthood. The four rule lines that are the basis for our graphic design represent the deep imprint that Vancleave school has on

our lives academically, physically, socially, and eventually. The blue cover and the white endsheets keep the tradition of blue and white while the gold adds the shimmer of newness. The gold gives the 1987 yearbook a stylish look.

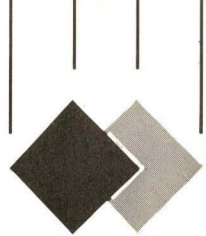

Stepping through the pages of the *Time 'N' Tide*, you will see that the stylish headlines and gold spot color help convey the theme.

Stepping Back Into Action

R

Registration was held August 26, 1986. Students assembled in the gym where Mr. Lee laid down the law for the new school year.

As students were called to their homerooms, the new freshmen were checked out by the upperclassmen. This is their first of

four hardworking, but fun years at VHS.

During homeroom, the teachers passed out all those endless forms from book cards to insurance forms to handbooks. Students were tested the following week on the handbook's content for the first time ever.

From head to toe Bianca McVeay is with the style.

Mrs. Fletcher welcomes Natalie Colle to her wild kingdom, by issuing Natalie an English lit. book.

The sophomore brat pack.

Frieda Goff, Tommi Thrash, and Jenny Blankenship enjoy their first great hamburger back at Mc-VHS.

The first full day back to school was August 27.

Clint Davis and Tim Wages prove that the guys with the car always get the girls.

Bobby Smith appears to have had practice in taking this slide.

After a swim in the creek, Michael Hipp and Jeffrey Jones enjoy a game of volleyball.

STEPPING OUT

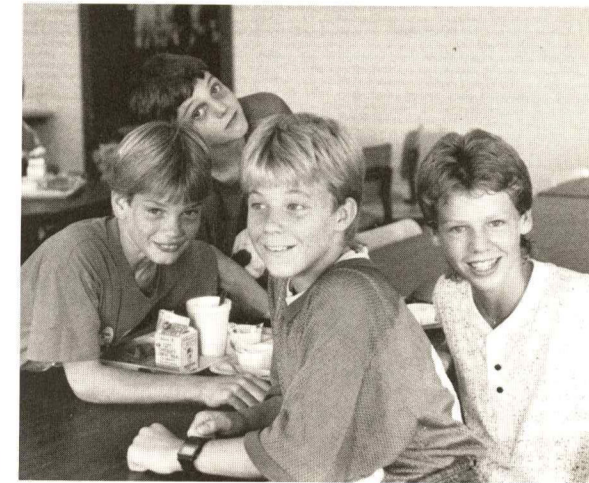

It's no wonder that Kim Bragg and Dione Edmonson can't resist Danny Harper with his puppy-dog eyes.

Drenda Fairley, Michelle Vincent, and Natalie Agent are the VHS Hugg-a-bunch.

Kim Colle with her lolli.

Alex Good, Jason Fortenberry, Ken Green, and Lenny Laughlin are the middle school Rambos.

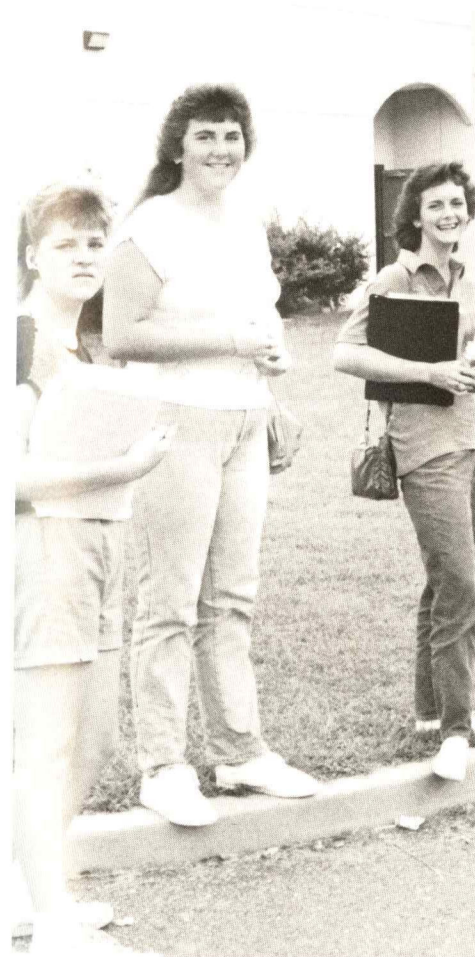

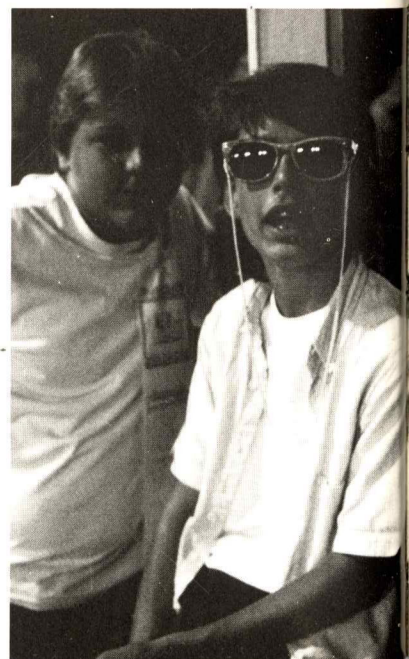

They Be illin'.

"LeighAnne, there's a bug on your back," cries Kenny Page.

Scott Edmonson sees his chance to gig a fry from Leigh Henry and Katie McVeay.

John Breal is looking cool.

Shelly Wheatley, Cindy Kates, and Alicia Smith enjoy the 20-minute break.

Pam Whittle and Sharonda Mitchell have all the guys to themselves.

C-C-C-Catch the Wave

The pause that refreshes.

It's Coke time.

VHS students have definitely caught the wave. They are wearing the Coca-Cola company's line of clothing and accessories.

In 1986 Coca-Cola celebrated its 100th anniversary. John Pemberton, a pharmacist, first produced Coca-Cola as a syrup in Atlanta, Georgia. Carbonated water was teamed with the new syrup that was once "Delicious and Refreshing" a theme that continues to echo today wherever Coca-Cola is enjoyed. Coca-Cola was first bottled in

Vicksburg, MS, in 1894.

In 1982 soft drink history was made with the introduction of diet Coke. Three years later the Co. startled consumers by announcing a new taste for Coke in North America, the first change in the secret formula since 1886. The American public's memories and loyalty to the original Coke came alive. The company listened to its consumers and quickly responded by returning the original formula to the market as Coca-Cola Classic.

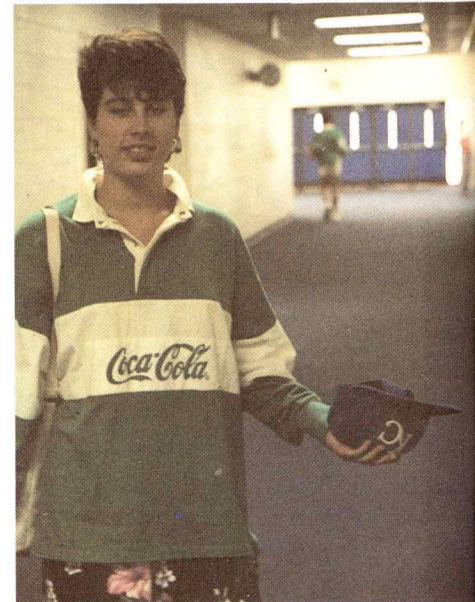

Have a Coke and a smile.

One can purchase anything from rugby shirts to mini-skirts, pants, sweats, watches, and handbags.

Natalie Colle enjoys a soda fountain drink from the past that is now in a can, Cherry Coke.

Coke is it!

Clint can say Coca-Cola in 80 languages.

Coke adds life.

Coke is enjoyed by people all over the world and now VHS students can enjoy their favorite soft drink during break. Coke machines and snack machines were installed in the gym lobby.

GUESS What's in Style

Shellene Mallette shows off her Guess jeans while Scott Holden shows off his sprained wrist.

Seniors have their own kind of style.

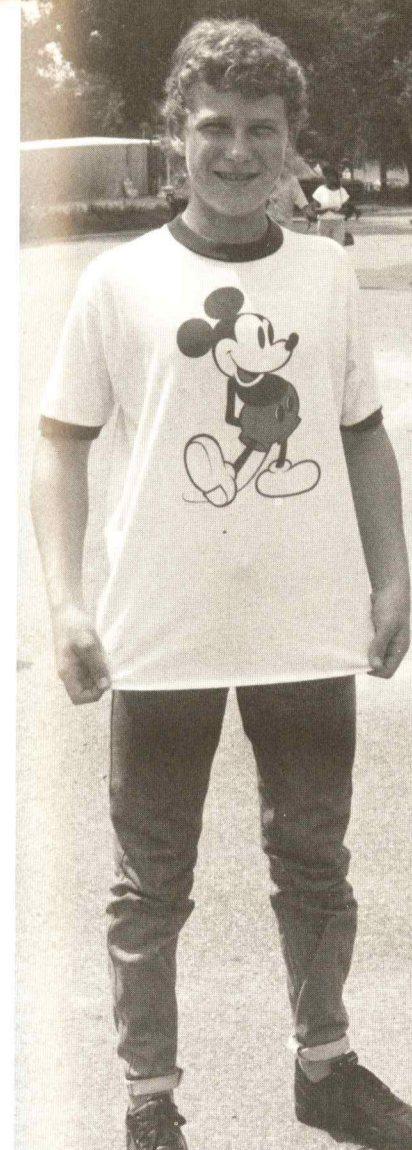

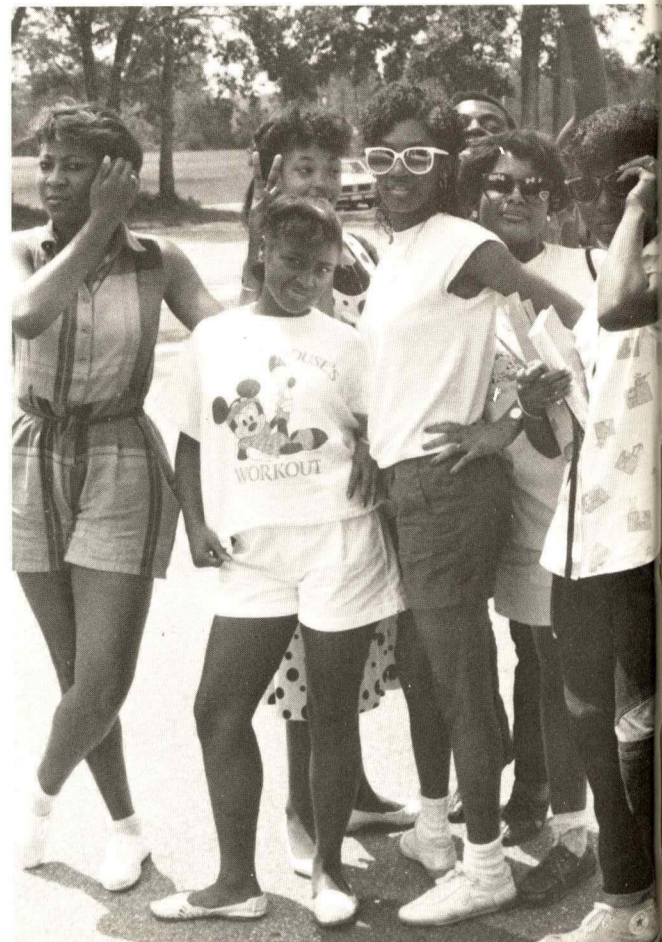

Annual staff members are stepping mini-style.

Move over Mickey, Minnie Mouse now has her own label.

Decorated sweatshirts and denim jackets are worn by fashion conscious Kelly Walker and Brandi Davis.

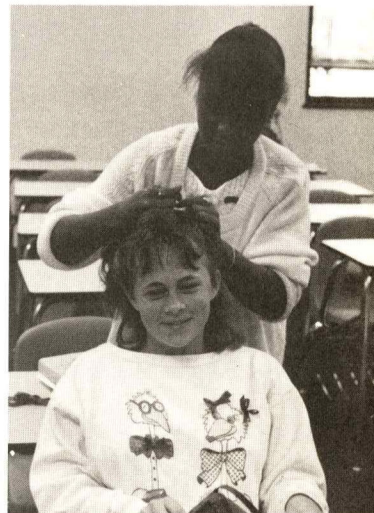

Black Reebok shoes like Sonny Mattingly's are worn for a sportier stylish look.

These guys look very G.Q. Gene Robinson and Stephen Mixon are wearing the popular Ray-Ban Wayfarer sunglasses and Swatch watches.

For a polished look, Sonora Smith and her friends have donned the right accessories — belts, flats, and anklets.

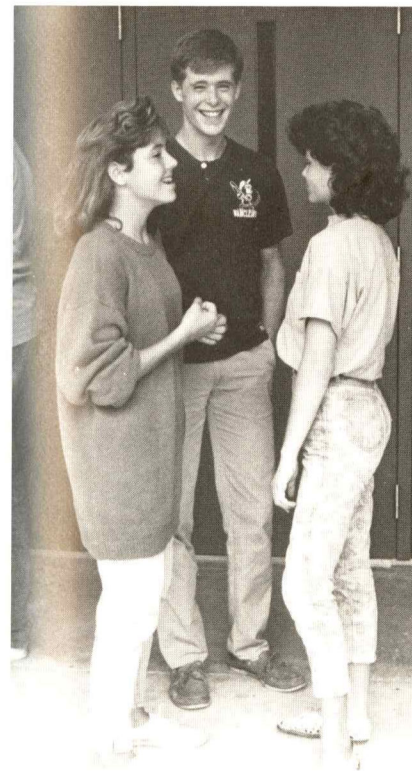

Bulky sweaters and sweatshirts worn by Theresa Simmons and Leigh Henry add extra warmth through the cold months.

Oversized sweaters and tapered jeans demonstrated by Katie McVeay and April Anderson are a trend of the 80's.

The younger generation keeps up with the latest fads.

Money is, as always, a plus for the expansion of a wardrobe, but not a necessity. The most important factor is forming outfits that are comfortable and fir the individual personality.

Angelia reflects on her Senior year.

Being a Senior

Being a Senior represents many different things to many different people. It is more than just the very moment. It is a combination of all the ex-

periences of the past and all the possibilities for the future.

Being a Senior is an achievement in itself. It represents the fears and frustration of leaving the security of "Mother's apron strings" and entering into the main stream of school life. It represents the difficulty of creating good study habits, learning to fear and then respect the

school administration, forgetting homework, going to your first basketball game, the frustration of trying to be chosen as a cheerleader, going to

your first dance, experiencing your first kiss, making flowers for the homecoming float, planning the Junior-Senior Prom, and the development of warm and lasting friendships.

Now that the status of being a Senior has been achieved, it is both a happy and a sad moment. It is the time if life to realize that those precious moments as

Seniors can never be recaptured.

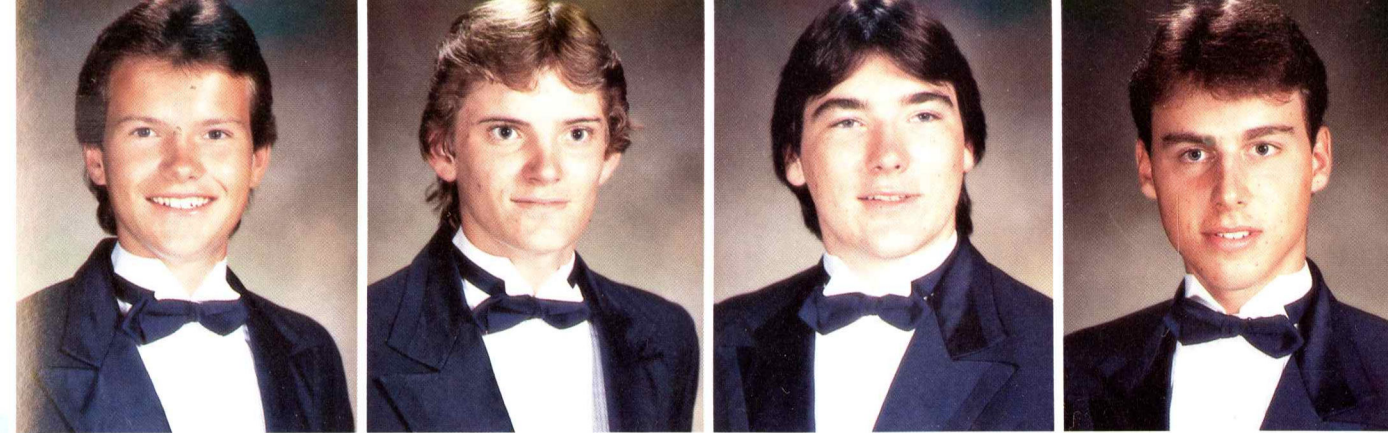

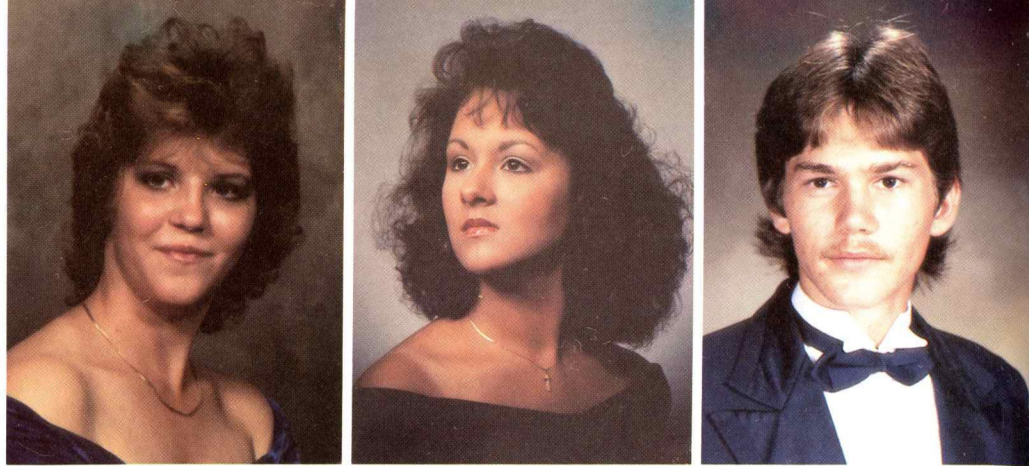

Seniors must now turn to face the future and the possibilities that exist. There will be new struggles, new experiences, new friendships, and many different decisions to make. But as each goes out into the adult world to develop special talents, there will always be memories of Vancleave High School — especially that very special year of Being "Senior."

Wanna Fay Bowen
A Beauty Full of Grace

A nearly perfect three nights of lovely ladies and handsome gentlemen had one blemish — the last 5 min. of the last show. Through no fault of anyone in particular, Dallas was handed a trophy that should have been presented to one of her classmates. As everyone started in disbelief, wondering what to do to be fair to all, Dallas took command of the situation and graciously handed the trophy to her classmate — with a Beautiful SMILE! Dallas is truly a Beauty, inside and out. A similar incident almost happened to Wanna. She, too, handled the situation admirably. The fact remains that All of the girls put on a lovely pageant — they were all winners that evening.

Council Leads the Way

At the beginning of this school year the student council provided "Welcome Back" refreshments for the teachers to let them know that they are appreciated. The Student Council played a big part in the addition of shorts to the dress code this year. They have put a student's suggestion box in the cafeteria for future issues. The student council is involved in all school activities.

Superior Plaque Awarded at Yearbook Camp

The Staff arrived at USM on June 9, with "Stepping with Style" as our theme.

At the beginning of the week the staff was assigned thirty-two pages to complete by the end of the week. Layouts from each section were designed by the staff and submitted for judging by the USM Journalism Department. Each section has its own mini-theme. The last day of camp a banquet was held

to award ten superior plaques to schools with the best designed layouts and theme. **VHS was awarded a superior plaque.** Approximately thirty-five schools participated in the yearbook camp.

The nights had been spent working on layouts while the days were filled with seminars. The staff became familiar with such terms as pica, gutter, and copy. The speaker explain-

construction of yearbooks and the trends of the 80's. Yearbooks today are striving for a more journalistic approach!

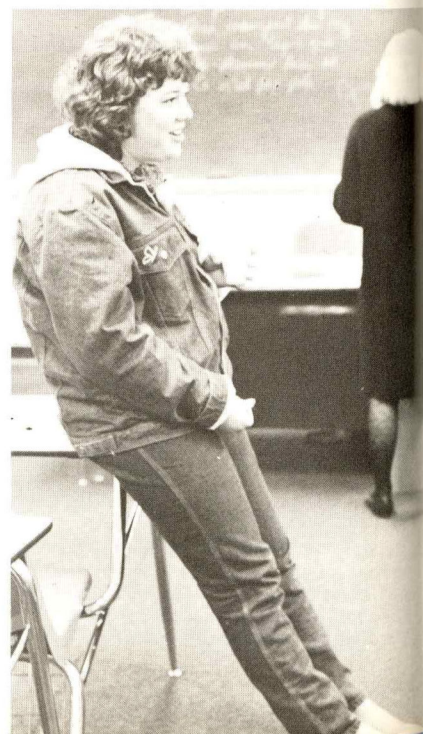

The table decoration and the matching shirts carried out the theme of our yearbook.

Mrs. Stietenroth stands behind our Taylor Representative, Ben Allen.

With the help of **Dee Dougherty** in getting the USM football jerseys, the staff did the "Bulldog Shuffle" for a skit. We won eight free autograph pages for this year's yearbook.

As the Bulldogs Step into Action on a new field

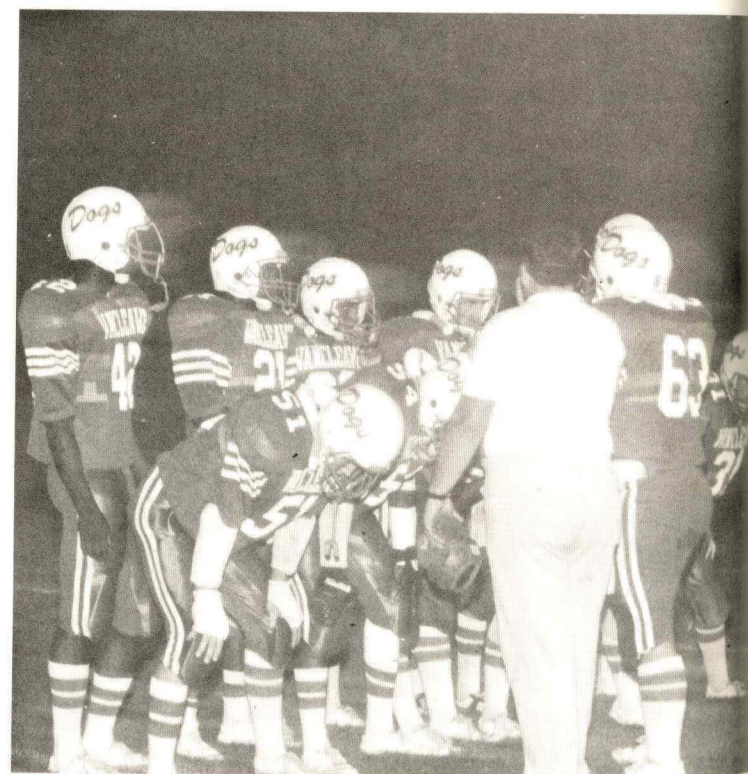

Vanceleave's football stadium went through a renovation this past summer. Many hours of planning and construction were put into the rebuilding; adding metal seats, press box, a fence to enclose the stadium, a regulation track, concession stand on the visitor's side, pop-up sprinkler system, public address system, lights,

and a new score board. Another change was the lighting up of the field itself. The southwest end of the field was raised close to 3 feet Vanceleave has the best 3-A division football stadium in the State, something the Vanceleave community can be proud of.

Plus Good Attitude Pay Off

The VHS boys' basketball team put together hard work and a good attitude in establishing a very successful 1986-87 season. *Only one class ring can really fit you.
And Campus Supply has it.*

Your class ring should be as unique and special as you are. And it can be, when it's from Balfour. Because **you** choose the style, the stone, the decoration, the engraving—to create a class ring that is yours alone. Your own personal class ring from Balfour. No other can express who you are so exactly. Or help you recall those special times so clearly.

SHANE

If there was one person who could make us smile,
It was *SHANE*.

SHANE was one of the guys who made us laugh, and
brought joy into our life.

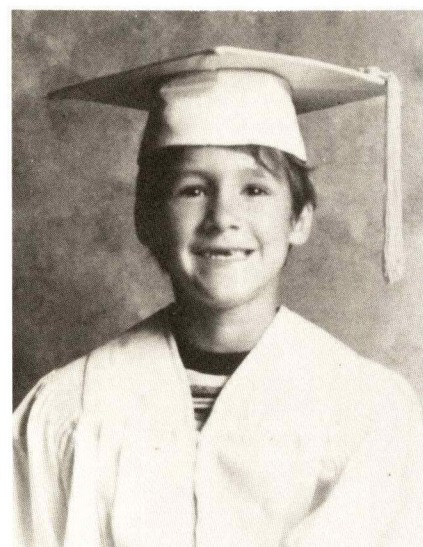

Now he brings us tears.
We all love and miss him dearly, it will never be
the same without our *SHANE*.

He always cheered us up when we were down,
We'll never forget the good times we had with him.

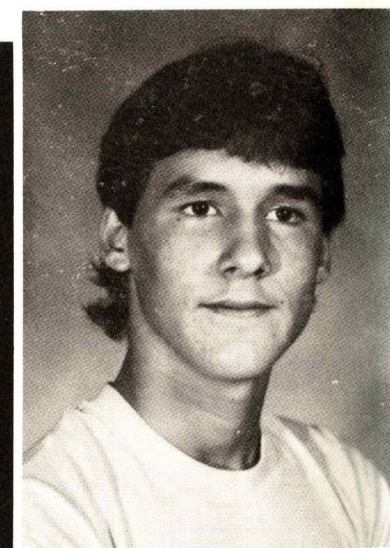

Even though he's not with us in life,
He'll be with us in our hearts.

SHANE will always be remembered
We all love and miss him and we'll
never forget his friendship!

We Love You!

The heavenly Father above,
Has taken the one that we all love.
Now as we all say good-bye,
And shed tears as we cry,
We'll always remember
that special guy.

Love those overalls, Lynn.

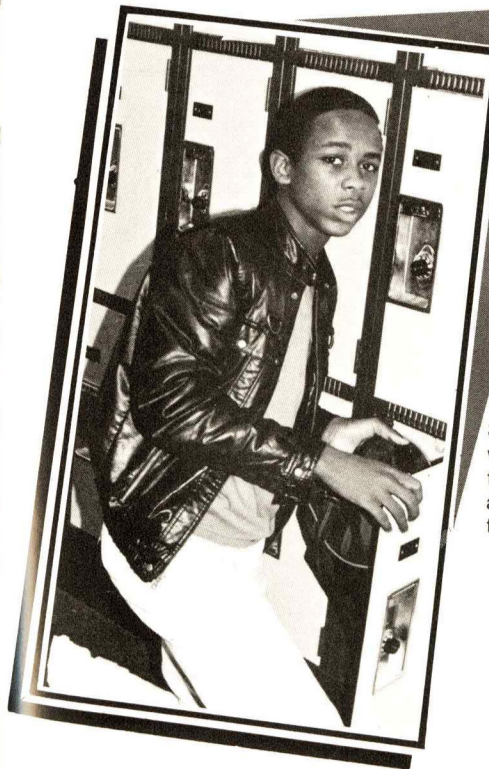

Signs of the times.

Watch out, here come trouble!!

Sam Robinson wonders why the tall people always get bottom lockers.

"And that's the way it was," says Kenneth to Chris.

David Lee and Eddie Lockwood socialize during lunch.

Life-time Resident Retires

Mrs. Lula Moore plans to retire in May, 1987, after, 25 years of service preparing school lunches and breakfasts, football team meals, banquets, seminars, and workshops.

Mrs. Moore began working at Vancleave School Cafeteria in October, 1961. She worked as the assistant manager until the new high school opened in 1983. She was transferred to the new school to become its manager until the present. Her favorite part of her job is preparing for banquets.

We hope her retirement will be filled with the things she enjoys such as cooking, working in the yard with flowers, and short trips.

The 1987 edition of the *Time 'N' Tide* was printed by Taylor Publishing Co. in Dallas, Texas. The cover is Blue #431 with whirlpool grain texture accented with gold hot foil. The white end-sheets pick up the gold-foil design of the cover, and the division pages carry that artwork throughout the book. The pages are Enamel #80 paper with body type face in Century Schoolbook, with Helvetica type on the division pages. Eight pages of color are used in the Opening and the Senior sections. The gold spot color in the Who's Who section was awarded at last year's USM Yearbook Camp for the best theme and table decoration. The eight autograph pages were won this year at camp for "The Bulldog Shuffle" skit.

Vancleave is stepping in the right direction and doing it with style. Many changes and additions have occurred at VHS. The addition of shorts to the dress code was the most stylish and most popular change. Vancleave is a small country school but getting bigger on new ideas. The twenty minute break three days a week gave students time to relax or do homework before 2nd period.

The staff chose "Stepping with Style" as the theme of the yearbook because of the many fads and styles of the 80's. Silver jewelry, lace collars, and anything denim are the hottest fashion items. *Top Gun*, *Aliens*, and *Crocodile Dundee* were the box office favorites. "The Cosby Show" remained to be our favorite TV show along with "Moonlighting" and "Family Ties" Hitting the music charts this year were Bon Jovi, Janet Jackson, Run DMC, and Whitney Houston. Max Headroom was a new face on TV commercials. America's love for game shows, such as "Wheel of Fortune" and its beautiful hostess, Vanna White, were more popular than ever.

Patriotism was revived. After a two-year makeover of *the lady* the country celebrated the Statue of Liberty's 100th birthday on July 4th. The constitution celebrates its 200th anniversary in 1987. Greg LeMond was the first American to win the Tour de France, and Dennis Connors regained the America's Cup from the Australians. The New York Mets won the World Series, and the New York Giants brought home the Super Bowl trophy for the first time. There were many controversies dealing with the bombing of Libya for terrorists' actions and Reagan's involvement in the Iranian Arms Deal.

While working on my last quad-pack, I realized how fast my senior year has passed. The yearbook has been my biggest companion this year. I've carried pictures and quad-packs practically everywhere. Those days are over and I would like to thank the people who helped me along the way. First Mrs. Stietenroth whose constant dedication and creativity made this yearbook possible. I would also like to thank my mother for her support and work on all of the annual staff functions.
